## **ISWS Southern Specialty and Three Day Lure Coursing Weekend in Calhoun, Georgia, August 30, 31 & September 1st.**

The **Saturday show judge, Katie Kaltenborn**, awarded Tangeloor Fudge Behavin' Badly the **Winners Bitch, Best of Winners and BEST of BREED** nod! Congratulations to Suzanne Liggett and breeder Alison Brendel on an exciting win.. More congratulations are due to Victor and RLynn with "Wee Man" Tyler, Gryffyn's Just Push Play, earning the **Best Opposite Sex** award. **Winners Dog** was awarded to Springlane Kristull Dancer, owned by Ahym Rowlette and Mary Childs.

**Sunday's conformation** event was judged by **Les Pekarski** who, along with Sherri Peak, allowed the use of their lovely property for this Specialty. Les found quality in a different Gryffyn's Aeyrie boy. This time Gryffyn's Games Without Frontiers won **BEST of BREED** from the Bred By Exhibitor class. And Suzanne Liggett's Fudge Behavin' Badly repeated her **Winners Bitch**, taking home a second major. Windnsatin Cookies and Crème, bred and owned by Mary Childs, took home the **BEST PUPPY** win from the 3-6 Puppy Bitch class.

Many thanks to Sandra Moore for almost single handedly organizing this event, and to her friends Sherri Peak and Les Pekarski for providing the fabulous site. Awesome!

### **First Lure Coursing Champion!**

After the Southern Specialty, Silken Windhounds competed in the second-ever Lure Coursing event. Champion Springlane Kristull Dancer, aka "Dan", owned by Mary Childs, won BOB two of the three trials. He finished up his LCC and has the honor of being awarded the first Lure Coursing Championship! His siblings from Terri Timm-Miller's Reindeer litter subsequently did very well at the Ohio Classic event in both Coursing and Conformation.

## **Ohio Classic** <sup>™</sup> Sept. 13, 14, 15 2008

Over the three days, a total of **39** different Silkens participated in one or more events. An impressive entry, with a fair number of them returning home with ribbons, rosettes, and prizes.

The Sweeps judge, **Bonnie Nichols**, has been in dogs for 40 years (her quote) and has had Borzoi since 1971.

Our Friday judge, **Shelley Hennessy**, started out with Afghans and acquired her first Whippet back in 1976. Shelley has judged Silkens at least once before, at a Rarities show.

Our Saturday judge, **Dr. Francis Broadway**, has owned and bred Salukis since 1977. He had never seen a Silken before Saturday morning, and worked them very hard. Each and every dog was given exactly the same chances to "show their stuff". The BOB class was suspenseful for watchers and exhibitors alike. Complete Results can be found at <http://www.lorainarearacingklub.com>

The seminar by Dr Robert Hutchinson was a hit and the group dinner at Prestie's was a big success.

## In 2007~ River was the #1 dog

with 24 points. I didn't think that record would ever be broken. But this year, two dogs smashed his record. **Pride** won Silkenfest and the Ohio Classic. His 31 points would have been a new record. **Teddy** though, may have established a mark that really will never be broken. His 44 points is a monumental accomplishment. For perspective, the Silken that is second in TOTAL career points earned has 41.25. That dog has raced for four years to earn those points...and Teddy earned more in one year. Teddy now has 58 career national points. When he earns the next 2 points he will become the first Silken to achieve SRCXII (the "deuce".) I don't want to jinx him, but I hope that at his next meet someone brings a bottle of champagne to pour over Terri. Feel free to send me the bill ;-).
